

Pricing Analyst

Welcome at Yuzzu

Our slogan is 'surprisingly smoothly insured'. The same goes for your career at Yuzzu, the Belgian market leader in direct insurance that used to be called Touring Insurances. As a new employee, we welcome you to a surprisingly smooth and dynamic working environment, where we always speak clear language and keep our promises. Without small print, and with a smile.

Would you like to invest your energy and talent in an insurance company in full growth? Then take a quick look at this vacancy and apply by sending your CV and motivation letter to recruitment@yuzzu.be!

Yuzzu is currently seeking a Pricing Analyst.

What will be your main goals?

The Products, Pricing & Analytics (PPA) department is in charge of developing and managing our products. It covers both the optimisation of risk and market pricing models as well as the end-to-end management of our products.

You will report to the PPA manager and you will work closely with the departments marketing, operations, legal and risk management. You will be in charge of ensuring a profitable growth on Yuzzu lines of Business Motor/Household.

What will be your core activities and responsibilities?

- ▶ Create and maintain reporting capabilities (including PPA database management) ensuring constant monitoring and provide regular analysis to support business decisions,
- ▶ Manage the relationship with the IT development team in order to improve PPA internal processes,
- ▶ Take the lead on improving key PPA processes such as the regular renewal of premiums, last tariff update technical implementation, etc...
- ▶ Conduct analysis and communicate proactively to peers and team manager to share discovered price, model or data issues, and suggest appropriate remedial actions,
- ▶ Contribute to develop frameworks ensuring sustainable and profitable portfolio growth (market monitoring, pricing...),
- ▶ Promote & share technical expertise culture within the team,
- ▶ Consider the impact of pricing actions on customers,
- ▶ Provide management information reports and analysis,
- ▶ Collaborate with the whole PPA team, operations, marketing, risk and sales department in order to optimize your deliveries upon pricing projects and new initiatives.

What are your skills and experiences?

- ▶ Ideally 3-5 years of experience
- ▶ Quantitative / economical / statistical background (e.g.: commercial engineering, actuarial sciences)
- ▶ Programming skills (e.g.: SAS, VBA, R, C++...).

What is your profile?

- ▶ Ability to grasp the significance /impacts of a range of technical and complex issues.
- ▶ Enjoy a challenging and stimulating environment.
- ▶ Ability to work towards deadlines.
- ▶ Ability to work autonomously.

What do we offer?

- ▶ A professional, friendly and positive working environment.
- ▶ An international Group (AXA) offering possibility of cooperation and evolutions.
- ▶ An attractive remuneration package.
- ▶ Autonomy, in line with your skills and capacity.
- ▶ Training and ongoing coaching.

Who is Yuzzu?

Yuzzu, the new name of Touring Insurances, is the Belgian market leader in direct insurance. Member of the AXA Group, Yuzzu is market leader in direct insurance in Belgium.
